

Announcing the First Ever

## HEARTH Economic Summit

Otherwise Known as  
The Hearth Class Offering for April 2010

- ▶ What is economics?
- ▶ How do economic matters affect your life?
- ▶ Who is an economist?
- ▶ What does an economist do?
- ▶ Where do all of these crazy ideas come from?

These are some of the questions we will be discussing at:  
Samuels Public Library, Meeting Room B  
2-3pm on Wednesdays in April (7<sup>th</sup>, 14<sup>th</sup>, 21<sup>st</sup> and 28<sup>th</sup>)

We will be defining terms, naming names, and generally looking at economics from an historical perspective. This class is geared toward 5th-12th graders with no previous economic instruction, though all truly interested HEARTH students and moms are welcome. Meeting Room B has been reserved for non-participating family members.

Please submit registration information (name of each summit participant and preferred contact information for each family) along with the non-refundable materials fee of \$5 per student (no fee for moms) to Susan Hahn. Registration deadline is Monday March 29<sup>th</sup>.

Each participating family will be provided with resources for further home-study of economics.
